

HISTORY OF RON'S SIGN CO.

Established:

Ron's Sign Company started business June 14th, 1979

Early Days:

Ron's Sign Company was started by Roland Saindon who had spent time with a local sign company for 9 years. He decided one day to quit his job and open his own. Please remember back in these days, there was no computers or plotters, most all signs were done by hand painting. Ron started his business in a block cylinder building next to his residence in South Wichita. After a year in business he decided to move from his residence to 1320 S. Handley. A small metal building which he built new. After 2 years at this location Ron Sign Company grew into it's currently housed facility which is at 1329 S. Handley, across the street. 43,000 sq. ft. faculty with an upstairs. Ron's Signs started with one employee and currently employs 25-30.

Early Days:

Ron's Sign Company is now a regional company serving Oklahoma, Kansas, Kansas City, Mo, Nebraska areas. Ron's Sign Company continues to take care of the up and down street businesses as well as many national accounts. Some of the local flavors that Ron's Sign Company has designed, fabricated, and installed signs at are Ashley Furniture (2 Stores), Furniture on Consignment, Hog Wild BBQ, Nuway Sandwich Shops, McCurdy Auction, and several malls throughout the area. A short list of national accounts consist of: WalMart, Oriellys, AutoZone, SubWay, Arby's, Dillons, Kwik Shop, Best Buy, Conoco Phillips, as well several others. Ron's Sign Company has, and can provide, references on any accounts listed above. We also specialize in servicing all types of signs including LED message boards, gas price LEDs, LED conversions on free-standing signs as well as parking lot lights. We also provide a fully staffed art department, capable of design and consulting of any outdoor or indoor signage. Our facility is equipped with a large format flatbed printer, vinyl machines, neon plant, awnings, channel letters, cabinets, wood, aluminum, and plastic signs. Ron's Sign Company has a fleet of crane trucks, bucket trucks, service trucks, to serve the sign industry. All employees are trained and certified on all equipment, We are a fully licensed and bonded sign company with a clean safety record. We regularly have safety meetings as well as full staff meetings to prepare for the success of all projects.
